Dear Mr. Campher

FUND RAISING FUNCTION – FANCOURT

On behalf of the hundreds of children and families that benefit from the services of George Child Welfare, I would like to thank you most sincerely for the amazing amount of money you raised for the organization at the Conference dinner held on 15 March 2010. I can assure you that the R54 621 you raised will go a long way in assisting the organization.

Demands placed on us for services are increasing at an alarming rate, and it is becoming more and more difficult to obtain funding to meet all the needs. Last month we had 72 new cases reported to the organization for service rendering, which puts enormous strain on staff who already carry unreasonably high case loads.

There is a strong possibility that Government funding could be cut this year which will really make meeting the needs of the communities we serve more challenging. It is for this reason that your donation means so much. Please convey our heartfelt thanks to the many individuals who participated in this fund raising initiative, without their care and concern we would not be able to render the services we do.

Once again we wish to thank you most sincerely.

Kind regards

SUE DU TOIT
