

ASISA

ACADEMY

Accredited learning provider with the QCTO, UCT, Batseta and the FPI

Investment Management Work Ready (I'M Work Ready) Programme

WHAT IS THE COURSE ABOUT?

The ASISA Academy is offering employers and students an opportunity to participate in a specialist programme which prepares graduates to enter the CIS and investments industry. The course draws heavily on the expertise of multiple industry practitioners who present on specialist topics. The programme is primarily targeted at B.Com (Investment Management) graduates but is open to graduates from any faculty where critical thinking, numeracy and problem solving are prized.

Companies looking to hire graduates into their CIS areas will pre-select students and sponsor their participation on the 3-week ASISA Academy work-readiness course. The graduates then commence a 12-month internship with their sponsors.
